Hey Stephanie,

Did you get a chance to look for the EIS justification memo (decision to do EIS vs EA) on the Rose Canyon project?

Thanks,
Dan

Subject: Kampachi Fish DEA

Hi Dan,

I am in the Region 9 NEPA office. I am not sure if we have spoken before, but I review NOAA docs. I am also assisting our water division NPDES office in the preparation of an EIS for a fish farm off of San Diego.

I wanted to reach out to you and ask about your experience developing the DEA for Kampachi. Peter Kozelka has already talked to Kip Tyler a little bit, but I figured I should reach out to the NEPA office as well.

Are you in the office this week despite the holiday? If not, I'd like to talk next week.

Thanks,
Stephanie
